

2019 Iconic Paws Minority Veterinary in Medicine Scholarship

Empowering the next generation one family, one community and one country at a time. At Iconic Paws, we are focused 100% on improving the health of your pets, from the types of products that we offer to the attention to detail we put into every new product we develop. In fact, we are so obsessed with promoting wellness for pets, that for 2019, Iconic Paws is doing things a little bit different. This year we are excited to offer our first Veterinary Scholarship to one student who is currently enrolled in or accepted to a veterinary school in the U.S for their demonstrated interest and commitment to animal welfare.

Application Deadline: 5/1/2019

Applications will not be accepted without required attachments.

Essay Questions

You may choose to answer ONE from the following four essay questions. Please limit responses to 300-500 words.

1. There are many career choices within the veterinary profession. What are your future career goals and why?

2. In what ways do you believe veterinarians contribute to society and what do you hope to contribute and why?

3. What are some of the greatest challenges in the animal health industry? How can you make a difference?

4. The Senate recently passed the 2018 Farm Bill. What do you think will be the benefits and drawbacks of marijuana in veterinary medicine? What impact will it have in animal health?

5. Describe an animal welfare related activity that you have participated in. What impact do you think it has on a society where people tend to shop rather than adopt? How can you bring awareness to the importance of pet rescue adoption?

6. What are some of the greatest challenges in the animal health industry? How can you make a difference?

7. What is the role of proper natural nutrition in animal health?

8. Considering the breadth of society veterinarians serve today, what attributes do you believe are essential to be successful within the ever-evolving veterinary profession? Of these attributes, which do you possess and how have you demonstrated these attributes?
